

Port Perry Patchers - A Show of many Hands Challenge

Here's your challenge, should you choose to participate! Create an original quilt to be part of a group display at our show.

Theme: A Show of Hands

Concept: We're hosting a handful of vendors who do fine craft, such as weaving, pottery, woodwork, to set up displays and sell their work at our guild show "A Show of Hands". Let's celebrate the many processes of fine craft in whatever your solution is to this challenge.

Parameters:

- size must be 24" x 24"
- design must be original, and celebrate the theme of "A Show of Hands". The design can be traditional blocks, abstract or pictorial.
- technique can include any quilting method be it piecing, appliqué, thread painting, trapunto or paper piecing etc.
- your quilt must incorporate at least one additional piece of fine craft such as something handwoven, knitted or sculpted. You could include hand-made lace, a piece of pottery or jewelry or hand carved wood. You may include any fabric you wish.
- This extra fine craft item could be a piece of your grandmother's rug hooking, a lace napkin you bought at an antique store or a piece of jewelry you made yourself.
- the quilt must be finished with the usual three layers, quilted, bound in any method and it must have a label and a hanging sleeve.
- due date: April 18, 2016 (Guild night)
