Quilts to Show

We like to show everything from beginner quilts to advanced techniques, from hand-quilted to machine- quilted, wall hangings, bed quilts and quilted clothing.

Make a list of the quilts you've made since our last quilt show in May of 2012. You've probably made more than you realize. List the ones you'd like to show, and if you've given them away or sold them, ask to borrow them for the weekend.			
Make a list of the UFO's you'd like to finish for the show.			
List the guild challenges quilts you've done.			

Plan to put hanging sleeves and labels on all quilts. Fill out an entry form for each quilt. Take a photo of each quilt and print off an image to go with your entry form. Register your large bed quilts by January 18 guild night. Register all other quilts by March 21 guild night.

Quilts To Sell

<p>Make a list of the quilts you'd like to sell. All sales will be handled in our Guild Shop. Commission to the guild is 20% of retail. Large quilts will hang in the show, and smaller items will go in the Guild Shop. We will be able to take credit cards on our shop and the costs will be covered by the guild.</p>	item	S & L	form

Quilty Stuff To Donate

<p>Consider what you can make to donate to the Guild (remember that the money we raise at the show pays for our guest speakers for the next three years!) Our committee will select items to go in the Guild Shop, Silent Auction or Chinese Auction. Make things you like to make: baby quilts, runners, placemats, art quilts, wallets, purses, aprons.</p>			

Another Idea!

<p>We are adding non-quilt items to our Silent Auction. Could you or a company you know, donate an item or gift basket?</p>
